REFERENCE: SAC Letter 55-30

SUCCINCT RESUME OF CASE:

The following was received from informants who have furnished reliable information in the past, unless otherwise indicated:

Subject was employed as a reporter for "Peoples Voice" 1947 to 1948, was employed by the U.S.S.R. "Information Bulletin" 1948 to 1949, at which time he was discharged from the U.S.S.R. "Information Bulletin". It was reported that he believed an injustice had been done and was in contact with CP leaders in Washington, D. C., in 1949 concerning this matter. The records of the Bureau of Special Services and Investigation, New York City Police Department, reflect that one LANCE JEFFERS on 5/15/47 appeared before the Mayor of New York City as a representative of the East New York CP. An article by subject appeared in the "Daily Worker" in May, 1949, and in July, 1949, subject wrote the Editor of the "Daily Worker" apologizing for using the word "manana" in a parody about civil rights. Subject registered a preference for the AMERICAN LABOR PARTY in 1947 and 1949, but in 1950 and 1953 he registered a preference for one of the two major political parties. He refused to be interviewed in May, 1953.

RECOMMENDATION:

Remove from Security Index since no information is available reflecting any CP activities on the part of the subject during the past five years, and he has not been reported engaged in Communist front activities during the past three years.

Re WFO airtel 7-28-60.

Enclosed for assistance of BA are copies of New York summary report of SA [redacted] dated 1-20-55 and Newark report of SA [redacted] dated 7-6-55 concerning Lance Flippen Jeffers, Security Matter - C."

b6
b7C

Enclosed for Mobile is a copy of reairtel.

A review of Bufiles indicates that Lance Jeffers is identical with Lance Flippen Jeffers, who was formerly on the Security Index of the New York Office. In the event BA determines he is identical and is presently residing in BA, you should immediately verify his residence and employment, and submit future communications under the SM - C character. Since an extensive Security Matter investigation has been conducted concerning Jeffers and he is merely soliciting employment with several Soviet-bloc diplomatic establishments, it is not deemed necessary to handle this case under an Internal Security (Nationality Group) caption unless you determine that he secures employment with one of the establishments or becomes associated with a particular Soviet-bloc representative to the extent that would normally require an investigation under Manual of Instructions, Section 105K.

For guidance of BA, Jeffers was removed from the Security Index during July, 1955, and later placed on the Communist Index (now the Reserve Index). He resided in Atlanta, Georgia, during 1959 and later in Tuskegee, Alabama, also during 1959. There is some indication that Jeffers was being considered for interview if and when his residence was positively established.

Re: Lance Jeffers

Upon verification of residence in BA, you should advise Atlanta and Mobile. Atlanta and Mobile should then furnish BA any pertinent information concerning Jeffers which has been developed subsequent to Newark report 7-6-55 and, if he is to be considered for interview, BA should be so advised. BA should conduct whatever investigation is warranted under the SM - C character.

New York should furnish any additional pertinent information, not included in the above mentioned reports, to BA if Jeffers' residence in Baltimore is verified.

NOTE: Jeffers contacted several Soviet-bloc establishments, WDC, seeking employment. Review of Bufiles indicates he is identical with former SI subject of NYO, who has recently been in Georgia and Alabama. Files indicate he was being considered for interview during 1959 if his residence could be established. Possibility exists he has now established residence in Baltimore and this case should be pursued under SM - C character.

The informant stated that JEFFERS also informed these establishments that he had published short stories, book reviews, and poetry in American newspapers, and that one of his short stories was published in the anthology, The Best American Short Stories of 1948.

the
WFO indicated that JEFFERS mentioned above may be identical to the subject of Bufile 100-359726, NY-file 100-91844, captioned "LANCE FLIPPEN JEFFERS; SM-C."

A review of NY file 100-91844 reflects LANCE FLIPPEN JEFFERS, in June, 1948, was in the employ of the USSR Information Bulletin; he was a "free lance writer" from June, 1946, to September, 1949, in NYC; was a reporter on "People's Voice" from June, 1947, to June, 1948; was employed as an English teacher in the Booker T. Washington School, Columbia, South Carolina, from July, 1951, to June 7, 1952. He attended Columbia University, School of General Studies, in the spring term of 1946, and from September, 1949, to February, 1951, when he was graduated with a Bachelor of Science Degree Cum Laude. He was admitted to the Teachers College, Columbia University, in February 1951, and attended to August, 1951.

Based on the information contained in the NY file, it would appear LANCE FLIPPIN JEFFERS may be identical to the individual referred to in reairtel.

In August, 1953, LANCE FLIPPIN JEFFERS was placed on the Security Index of the NYO. On 1/7/55, Newark was designated the new office of origin.

L. E. ~~JEFFERS~~ — *Summary*

Captioned individual may be identical with Lance Flippin Jeffers, born on November 28, 1919, at Fremont, Nebraska, who was the subject of a security-type investigation conducted by the FBI from 1949 to 1955. During that inquiry it was reported that Jeffers was employed as a reporter on "People's Voice" (cited by the House Committee on Un-American Activities) from June, 1947, to June, 1948. Jeffers was also employed by "USSR Information Bulletin," a publication of the Soviet Embassy in Washington, D. C., from June, 1948, to March, 1949. It is understood that Jeffers was discharged from the latter employment for making improper advances toward two married women then employed by that publication.

According to the records of the New York City Police Department, Lance Jeffers on May 15, 1947, along with Lillian Gates, Assistant Legislative Director, New York State Communist Party, appeared before the mayor of New York City as a representative of the East New York Communist Party to oppose boosts in rent at a certain housing development.

An article by Jeffers appeared in the May, 1949, issue of the "Daily Worker," former East Coast communist newspaper.

Jeffers was contacted by Special Agents of the FBI on May 27, 1953, at which time he refused to be interviewed.

In 1961, Lance Jeffers reportedly was a teacher at Howard University, Washington, D. C. In 1960, he had resided at Baltimore, Maryland, and left his address in that city on or about September 9, 1960, without paying his rent.

NOTE: Per request of Mrs. Mildred Stegall, White House Staff. CC sent to Secret Service per FD 376, Category 3.
